Celebrating 50 Years!

Hello November

Well, here we are, in the final two months of 2026. This year has brought many changes to the center. We have so many retiring this year. Ruth took the first step in May, and then Janisse in September. Three more are retiring at the end of the year: Brenda, Wayne, and Patsy. We have been fortunate to find some pretty amazing people to fill the shoes of those retiring this year. I know they say everyone is replaceable, and maybe that's true, but I can say with fondness that each of them has left their mark on this center and on those they served, and they'll be remembered for it. Plus, they're still members, so hopefully we will see them at the center.

I was looking back through pictures the other day, pictures of previous staff and members throughout our history. So many funny pictures, so many seniors benefiting from our supportive service programs. What a blessing this center has been to Madison County these last 50 years. Yes, we are still celebrating right up to the last day of this year. We have one more party scheduled!

How about some fun stuff! We have a busy November ahead. Get your calendars out; here we go. First up is the Holiday Craft Bazaar on Saturday, November 7th, from 9:00 a.m. to 1:00 p.m., a great opportunity to start your holiday shopping. Next up, our favorite program of the year, the Veterans Day program, will take place on Wednesday, November 11th, at noon. We will start serving lunch at 11:00 a.m.; **Veterans eat free**. This is always a fantastic program. I hope you will join us. Jessica has a great speaker lineup for us this year. Finally, we'll serve our annual Thanksgiving lunch on Wednesday, November 18th. A busy month, just the way we like it!

As we enter the holiday season and go about our everyday lives, remember to cherish each moment you are blessed with and choose to spread joy and happiness instead of negativity and drama. I have a little sign on my desk that reads, "Always be a little kinder than necessary." Wouldn't the world be a better place if we all tried to be a little kinder in our daily lives?

Blessings to you and your families as we begin the holiday season. Thank you for the laughter I hear every day, and to everyone who helps at the center every day! God Bless!

Misty

Transportation Driver: *Wayne Bricker!*

Celebrating Wayne's 12 Years of Service!

Wayne has been part of our Senior Center family since January 28th, 2014. Over the past 12 years, he has helped countless members and clients feel safe and happy while riding in his van. Beyond driving, Wayne has always been willing to lend a hand around the center, helping build chairs, tables, desks, and so much more!

Before joining us, Wayne spent 1987 - 2013 years as a Correctional Officer at Madison Correctional Institution. In 2007 Wayne was promoted to a Sargent Rank, what a honor! He also proudly served our country in the United States Army, where he was stationed in Korea for 3 years. Wayne and his wife, Patsy Bricker, have been happily married for 40 years and have built a wonderful family together. As Wayne prepares for full retirement at the end of this year, with his wife, Patsy, we want to thank him for his years of hard work, dedication, and kindness.

Thank you, Wayne, for all you've done for our Senior Center and the people we serve!

We wish you all the best in this exciting next chapter of life. You will be missed!

Travel Activity Levels Explained for Day Trips, Extra Holiday Excursions, and Overnight Trips!

- **Level 1 - LIGHT AND LEISURLEY:**

You're a leisurely traveler. You like to take it easy and people watch. You can climb at least one flight of stairs, board coach, and walk unassisted at a relaxed pace for up to 60 minutes without difficulty. You can handle altitudes up to 5,000 feet.

- **Level 2 - MODERATE:**

You like a balanced approach to travel. Walking two or three miles over the course of the day is no problem. You can take part in two-hour leisurely walking tour (with breaks). You can handle a variety of terrains, from streets to moderate hills. You can climb flights of stairs with ease. You can handle altitudes of 6000 feet.

- **Level 3 - ACTIVE:**

You're an on-the-go taveler. You don't want to miss a thing, so walking and standing for long periods are no problem. A moderately paced two or three-hour walking tour, covering miles, with hills, and uneven surfaces, is no problem. You can easily handle altitudes between 6000 and 9000 feet.

- **Level 4 - VERY ACTIVIE:**

You're ready to seize the day, whatever it may bring. You lead an active life at home; 10,000 steps a day is normal. Protect Your Self From Being Scamed!

Understanding the Windows Fraud Pop-Up Scam:

How the Scam Works:

A Windows fraud pop-up scam is a fake warning displayed in a web browser or on a computer. A "Urgent Message" may claim that the computer has been infected with a virus, hacked, or experiencing a serious security problem. The pop-up may use Windows logos, Microsoft-like colors, warning sounds, or other designs to make it appear legitimate. Some cyber attacks even make the browser difficult to close, creating the impression that the computer has been locked or damaged.

What to do if you see it:

1. **DO NOT CALL** any number shown in the pop-up.
2. Close the Browser quickly: Press **CTRL + Shift + Esc** on your key board to open task Manager which will help close the opened browser.
3. If that fails, press **Alt + F4** repeatedly on your keyboard or hold the power button on your computer down to force the whole system to shut down. This may prevent the scam from progressing.
4. When your computer is finished restarting, make sure you **clear your browser history** so the scam isn't accessed again.
5. Run a **FULL Antivirus Scan** with Windows Security or Microsoft Safety Scanner.
6. Once your virus scan is complete, change your passwords on any sensitive info. Monitor your accounts to make sure everything is accurate with your records.

How to Prevent Future Scams:

- To prevent future scam cyber attacks make sure you are using Microsoft Edge with Defender Smart Scan to block the known scam sites.
- Always make sure your web browser is updated with the most recent updates avaliable.
- Avoid clicking links, and unsolicited pop-ups on your computer, your email inbox, any pop up ads - DO NOT CLICK TO OPEN!
- Only download software from official Microsoft Store sources.

Tips to prevent Cyberattacks on your Phone's Web Browser:

- iPhone Users- Use Safari as your safe private web browser.
- Samsung Users- Use Mozilla Firefox as your safe private web browser.

Protect Your Payment Information Online:

When purchasing software or other services online, consider avoiding the option to save your credit or debit card information on the website. If a company's website or systems are compromised in a cyberattack, stored payment information and other personal data could potentially be exposed to unauthorized individuals. By choosing not to save your card information, you can reduce the amount of sensitive financial information stored online and help minimize your risk in the event of a data breach. Think carefully before saving your payment details online!

We're on the Web!
Website: mcsenior.org or on Facebook at Madison County Senior Citizens Center!

The Madison County Senior Citizens Center is funded in part by Title III funds from the Older American's Act of 1965. These funds are administered by the Ohio Department of Aging and contracted to the local agencies by the Central Ohio Area Agency on Aging. Local funds are necessary to match these Federal dollars. They are made possible by Madison County Commissioners, a county wide levy, donations, contributions and fund raisers. The Center is non-discriminatory in services and employment. The building is handicapped accessible.

COAAA Advisory Council Meetings Open to Public.
The Central Ohio Area Agency on Aging (COAAA) Advisory Council will meet the first Thursday of each month. Advisory Council meetings are scheduled from 10:30 a.m. to 12:00 p.m. All meetings except for December are held at the COAAA office, 3776 South High Street, Columbus, Ohio. The council is comprised of volunteers from eight Central Ohio counties who represent the views of older adults in their specific communities and advise the Area Agency in its operations.

Mission Statement:
The purpose of the Madison County Senior Citizens Center is to encourage, foster, and develop opportunities for the senior citizens of Madison County through education, recreation, respite, nutrition, daycare services, and assistance in independent living.
