Travel aboard a deluxe highway coach to Williamstown, Kentucky. Rest and meal stops will be made periodically. Later this morning we arrive in Williamstown and to The Ark Encounter. Enjoy the day exploring one of the most impressive attractions in the country. Following the design and dimensions given to Noah in the Old Testament, 100 skilled Amish carpenters labored for over six years in building the largest timber structure in the world. Looking up at the massive structure and incredible workmanship of the hull is only the beginning of your encounter with the Ark. The artistic excellence continues inside on three decks full of beautifully crafted exhibits that may inspire you to think differently about the biblical account of Noah's Ark. Later today travel to Covington for dinner and overnight. The following day we visit the magnificent St. Mary's Cathedral Basilica of the Assumption which houses the largest religious stained-glass window in the world! Later this morning we visit the Creation Museum. This state-of-the-art facility presents the literal creation account as outlined in the book of Genesis. Enjoy free time for lunch, shopping and sightseeing along the riverfront area of Newport. Highlights include Newport on the Levee, Newport Aquarium, Purple People Pedestrian Bridge along with a selection of shops and restaurants. This afternoon embark on a delightful sightseeing cruise on the Ohio River. Enjoy beautiful views of downtown Cincinnati and northern Kentucky. Later today we begin our journey home.
