ITINERARY

Day 1: Home City ~ Nashville ~ Gaylord Opryland Resort ~ Grand Ole Opry: Travel aboard a deluxe highway coach departing for Nashville, Tennessee. Rest and meal stops will be made periodically. Later today arrive at the beautiful Gaylord Opryland Resort for a memorable three-night stay. The Gaylord Opryland Resort & Convention Center offers guests all the excitement and energy of the Christmas season in Music City under one spectacular roof. Nestled in a bend of the meandering Cumberland River, this exquisite resort features an extraordinary selection of dining, shopping and recreational activities underneath signature glass atriums including nine acres of lush indoor gardens and cascading waterfalls. Later today we gather for a group dinner at a local restaurant and then attend the Grand Ole Opry at the Opry House. Beginning in 1925 the Grand Ole Opry is the country's longest-running continuous radio program and features many well-known country music stars.

Day 2: Nashville City Tour ~ ICE Sculpture Display ~ Delta River Flatboat Ride ~ Gaylord Resort Christmas Dinner & Show: Enjoy breakfast at the resort. Embark on a guided city tour of Nashville. As Tennessee's capital city, Nashville is the hub of state government but also a cultural metropolis and country music epicenter of the world. Often referred to as the "Athens of the South", Nashville takes its affiliation with Greece seriously. Highlights on our tour will include the Parthenon, Vanderbilt University, State Capitol building and Centennial Park. Return to the resort and enjoy admission to ICE, a spectacular ice sculpture display, and ticket to ride the Delta River Flatboat. During the holiday season the resort is dressed with nearly two million dazzling Christmas lights and a beautiful Outdoor Nativity Display. This evening we are treated to a special Christmas Dinner and Show at the resort.

Day 3: General Jackson Showboat Luncheon Cruise ~ Downtown Nashville or Gaylord Resort at Leisure: This morning we depart the hotel and transfer to the General Jackson Showboat and embark on a delightful luncheon cruise along the scenic Cumberland River. Enjoy a delicious lunch and wonderful entertainment aboard this lovely four-deck paddle-wheel riverboat. The balance of the day is at leisure to enjoy the resort or "Music City" USA. Downtown Nashville features lively Honkytonk clubs, great restaurants and specialty shops. Return to the resort for our final overnight.

Day 4: Nashville ~ Journey Home: This morning we enjoy breakfast and then depart Nashville and begin our journey home. Rest and meal stops will be made periodically.

Payment Policy: A \$200.00 per person deposit is due to secure your reservation with the balance due by August 1, 2027. Make checks payable to: Madison County Senior Center, and send to P.O. Box 389, London, OH 43140. Phone number: (740)-852-3001.

TRAVEL

ACTIVITY LEVELS

LEVEL 1

LIGHT & LEISURELY

You're a leisurely traveler. You like to take it easy and people-watch. You can climb at least one flight of stairs, board a coach, and walk unassisted at a relaxed pace for up to 60 minutes without difficulty. You can handle altitudes up to 5,000 feet,

LEVEL 2

MODERATE

You like a balanced approach to travel. Walking two or three miles over the course of the day is no problem. You can take part in a two-hour leisurely walking tour (with breaks). You can handle a variety of terrains, from cobblestone streets to moderate hills. You can climb flights of stairs with ease. You can handle altitudes of 6000 feet.

LEVEL 3

ACTIVE

You're an on-the-go traveler. You don't want to miss a thing, so walking and standing for long periods are no problem. A moderately paced two or three-hour walking tour, covering miles, with hills and uneven surfaces, is no problem. You can easily handle altitudes between 6000 and 9000 feet.

LEVEL 4

VERY ACTIVE

You're ready to seize the day, whatever it may bring. You lead an active life at home; 10,000 steps a day is normal. You can handle longer walks, more than 3 hours, covering more than 3 miles at a steady clip, with activities that involve uneven terrain, steep slopes, and standing for long periods of time, at varying altitudes and temperatures. This level is not appropriate for travelers using wheelchairs, walkers, and other mobility assistance.
