

Welcome to Dos Sirenos Brewing! We are a family owned brewpub with a focus on German and Belgian style beers and traditional brewing methods. That's not to say we won't throw in something a little different every now and then to keep it interesting. We strive to provide you a great experience whether you are here for the beers, some of our great food items or just to hang out for the music. Mike & Kari are the owners of the establishment and Jacob, our son, is a brewer along with Mike. Mike started brewing over 20 years ago with Jacob who was 6 at the time, by his side "tasting" the sweet wort. About 7 years ago, Jacob bought some ingredients to make a batch of beer for Fathers Day. It was then that we started brewing as a father and son team that has now become Dos Sirenos Brewing. We are always asked how we decided on the name and logo. Well, Sireno is our last name, so that was easy. And we are mermaids, or mermen. OK, well maybe not, but our name does mean merman in Italian. Since Mike and Jacob are the brewers (two Sireno's) it just made sense for us to run with that. We hope you enjoy your visit with us! Prost! Cheers! Salute! Santé!
