

# Division Awards Ball

## The start to a great night

After overcoming many challenges through Covid-19, AMERICA Division was able to hold its annual awards ball/banquet on August 21st. This celebration was started with the presentation of colors and the POW/MIA table, and a prayer by Seaman Apprentice Davis.

## Number two in the nation

Through hard work and dedication to the program, AMERICA Division was declared the #2 unit in the nation, which was second to our sister unit VIKING Division. Following this, we have been awarded with a trophy, along with a cadet made plaque, which was designed by the leadership of 2020.

## Cake cutting ceremony

At the awards banquet, it is tradition to have a cake cutting ceremony. The tradition is to have the seniormost cadet hand a piece over to the youngest cadet in the unit. Signifying the handing over of knowledge from the senior to the next generation of cadets.

# Division Awards Ball
