

WHAT IS THIS PLACED CALLED HEAVEN?

What is Heaven? To the average person it is envisioned as a place with Angels floating on clouds, much like a fantasy or make-believe place. Something not real.

Christians, however, see Heaven as a glorious, perfect place where God dwells, characterized by peace, joy, and the absence of suffering. No sickness. No violence. No worries. No death. Just total peace. Something very real.

Scripture depicts Heaven as a real place filled with the glory of God, where believers will experience eternal joy and peace. A destination of hope and fulfillment, contrasting sharply with the struggles of everyday earthly life. The promise of heaven serves as the source of motivation for many believers, encouraging them to live in accordance with their faith.

Here are some Biblical Descriptions of Heaven:

Being a Real Place: Heaven is depicted in the Bible as a tangible location where believers will reside after death. Jesus mentions in **John 14:1-3** that He is preparing a place for His followers, indicating that Heaven is a real dwelling.

Having the Presence of God: Heaven is primarily known as the dwelling place of God. **Revelation 21:3** states, "God's dwelling place is now among the people," emphasizing the intimate relationship between God and His followers in Heaven.

Free of sin with Ultimate Beauty: **Revelation 21:4** describes Heaven as a place of ultimate peace and joy, free from pain, sorrow, and death. The New Jerusalem, as illustrated in Revelation 21, features streets of gold, gates of pearl, and foundations adorned with precious stones, symbolizing the beauty and glory of Heaven.

Eternal Life and Fulfillment: In heaven, believers will experience eternal life in perfect bodies, free from the curse of sin as stated in **Philippians 3:21**. Heaven will be the place to enjoy the fullness of joy and the presence of God forever.

Contrast with Earth: Heaven is portrayed as vastly different from our current world, which is filled with sin and suffering. Heaven will be a place of perfection, where there will be no more conflict or natural disasters as indicated in **Micah 4:3**.

So, in the words of T.G. Sheppard... "Do You Wanna Go to Heaven.... I said, yeah just lead me on".

Amen.
