Subject: Temporary Road Closure Notice

Dear Residents,

Please be advised that **Kings Road** will be **temporarily closed to all traffic on November 12, 2025**, for approximately **four and a half (4.5) hours**. The entire project is expected to take **3–5 days to complete**, depending on weather conditions. This closure is necessary due to a **collapsed stormwater line** that requires replacement.

To minimize disruption, the road closure will occur as follows:

- **Road Closed:** 8:30 AM – 11:00 AM
- **Open to Local Traffic:** 11:00 AM – 11:30 AM *(to allow residents to enter or exit the roadway)*
- **Closed Again:** 11:30 AM – 1:30 PM

Please note that access for emergency vehicles will be available, if needed.

We appreciate your patience and cooperation as we complete these important improvements to the stormwater system. Our team will work as efficiently as possible to minimize inconvenience to residents and motorists.

If you have any questions or concerns, please contact our office at **(412) 466-6070**.

Thank you.

Sincerely,
WMSSSA Management
