WHEREAS, the Authority previously appointed Municipal Government Investors Corporation ("mGIC") as its independent financial advisor (the "Financial Advisor"); said Financial Advisor has prepared an Interest Rate Management Plan (the "Plan") in order to better manage the Authority's interest costs relating to the \$28,470,000 portion of the \$28,935,000 outstanding principal amount of its Sewer Revenue Bonds, Series of 1998, (the "Bonds"); and

WHEREAS, the Plan sets forth an analysis of the risks associated with entering into a Swap Agreement, as hereinafter described, as well as criteria for the selection of a Counterparty and the Authority has been advised that it is in its best financial interest to enter into the Swap Agreement that meets the parameters set forth in the Plan; and

WHEREAS, on April 26, 2005, the Authority adopted a Resolution which approved the Authority to enter into a qualified interest rate management agreement with Wachovia Bank, National Association ("Wachovia") and Schedule thereto dated as of May 12, 2005 (the "Master

Agreement”), as supplemented by a Swap Transaction Confirmation executed by Wachovia and the Authority dated May 12, 2005 (the “2005 Confirmation” and together with the Master Agreement, the “Original Swap Agreement”); and

WHEREAS, on September 28, 2006, the Authority adopted a Resolution which approved the execution by the Authority of an Amended and Restated Swap Transaction Confirmation which amended and restated the 2005 Confirmation with Wachovia, dated September 29, 2006 (the “2006 Confirmation”); and

WHEREAS, the Original Swap Agreement as previously amended and supplemented and as amended and supplemented by the 2008 Confirmation shall be referred to herein as the “Swap Agreement”.

WHEREAS, the Authority hereby ratifies the Amended Interest Rate Management Plan, which is attached hereto and made a part hereof as Appendix I, ratifies the authorization of the execution and delivery of the 2008 Confirmation and such other documents as shall be necessary or appropriate in connection therewith in order to change the effective date of the Original Swap Agreement as amended and supplemented by the 2007 Confirmation from October 1, 2008 until October 1, 2009, pursuant to the terms of the 2008 Confirmation.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE WEST MIFFLIN SANITARY SEWER MUNICIPAL AUTHORITY AS FOLLOWS:

1. Appointment of Financial Advisor; Adoption of the Interest Rate Management Plan. The Authority hereby reappoints mGIC as its Financial Advisor and hereby adopts and approves the Amended Interest Rate Management Plan prepared and recommended by the Financial Advisor, subject to such modifications from time to time as the General Manager, Chairman of the Board of Directors, the Financial Advisor, Bond Counsel and Solicitor to the Authority shall approve. The Financial Advisor is hereby determined to be independent of the other parties to any transaction that may occur pursuant to the Amended Interest Rate Management Plan. The Authority further reappoints HT Capital Markets A Division of Northeast Securities, Inc. as its Swap Structuring Agent.

\* 2. Selection of the Counterparty. The Authority had previously awarded the Original Swap Agreement to the Counterparty for the basis swap transaction, effective May 12, 2005, pursuant to the terms and conditions of the 2005 Confirmation, which was further amended and restated to enter into the constant maturity swap transaction on September 29, 2006, pursuant to the 2006 Confirmation, which was to be effective on October 1, 2007. The Financial Advisor was then authorized and directed to negotiate with the Counterparty, in order to amend the Original Swap Agreement, as amended and supplemented by the 2006 Confirmation, to be effective on October 1, 2008, pursuant to the terms and conditions of the 2007 Confirmation. The Financial Advisor is now authorized and directed to negotiate with the Counterparty, in order to amend the Original Swap Agreement, as amended and supplemented by the 2007 Confirmation, to be effective on October 1, 2009, pursuant to the terms and conditions of the 2008 Confirmation.

3. Ratification of the Swap Agreement and 2008 Confirmation. In order to manage interest rate risks or costs to the Authority relative to the Bonds, the proper officers of the Authority, as set forth in paragraph 4 below, hereby ratifies the authorization provided by the Authority's Resolution of October 9, 2008 to execute and deliver the 2008 Confirmation. The Swap Agreement is hereby ratified and approved: (i) the notional amount subject to the Swap Agreement shall not exceed the outstanding principal amount of the Bonds to which it relates; (ii) the term of the Swap Agreement shall take effect on October 1, 2009 and end in August 1, 2028; (iii) the net effect of the Original Swap Agreement, as previously amended and supplemented, pursuant to the terms and conditions of the 2008 Confirmation, will be that the Counterparty shall be obligated to pay an amount equal to a percentage of the 5 year London Inter-Bank Offered Rate ("LIBOR") Index of 59.91%, multiplied by the notional amount of the Swap Agreement, as reflected by the outstanding principal amount of the Bonds, at the time in question, as set forth in the Amended Interest Rate Management Plan, at the times and in the manner set forth in the Swap Agreement; (iv) the net effect of the Original Swap Agreement, as previously amended and supplemented, pursuant to the terms and conditions of the 2008 Confirmation, shall obligate the Authority to pay an amount equal to the average monthly Securities Industry and Financial Markets ("SIFMA") Index multiplied by the respective notional amount of the Bonds at the times and in the manner set forth in the Swap Agreement; and (v) both parties may be required to make certain additional payments to the extent required under the Swap Agreement, however, periodic scheduled payments payable by the Authority pursuant to the Swap Agreement shall be senior in right and priority of payment to termination payments which may become due under the Swap Agreement.

The Authority hereby determines that the Swap Agreement is in the Authority's best financial interest and that it contains financial terms and conditions which the Authority has been advised by the Financial Advisor are fair and reasonable.

In order to manage interest rate risks or costs to the Authority relative to the Bonds and to provide for the provisions that are required to be in the Swap Agreement, the Authority hereby ratifies the approval of the 2008 Confirmation which is attached hereto and made a part hereof as Appendix II, which extends the effective date of the Swap Agreement, pursuant to the terms of the 2008 Confirmation from October 1, 2008 to October 1, 2009 and reduces the amount that the Counterparty shall be obligated to pay to an amount equal to a percentage of the 5 year London Inter-Bank Offered Rate ("LIBOR") Index to 59.91%, multiplied by the notional amount provided for in the Swap Agreement, as reflected by the outstanding principal amount of the Bonds.

4. Execution and Delivery of Documents. The actions of the Chairman, Vice Chairman or Treasurer of the Authority are hereby ratified and they were and are authorized to execute and deliver, in the name of the Authority and on its behalf, the following documents and to approve the final form and substance thereof, and any amendments or supplements thereto, and to approve the exact notional amount, term and interest rates under the Swap Agreement (subject to Paragraph 3 above), such approvals are hereby ratified and are conclusively evidenced by the execution thereof (including such amendments as may be required to assure compliance with the law), and the actions of the Secretary or Assistant Secretary/Treasurer are ratified and they are hereby authorized to affix to all of the following documents the seal of the Authority and to attest to the same, as necessary:

- (a) The 2008 Confirmation; and
- (b) such other documents, agreements, instruments and certifications, as the executing officers determine to be reasonable and appropriate to provide for the amendment to the Swap Agreement, including the 2008 Confirmation as authorized by this Resolution.

Copies of the foregoing documents, together with the other documents relating to the transactions authorized hereby, in final form as executed and delivered by the parties thereof, shall be filed in the official records of the Authority.

The actions of the General Manager of the Authority are hereby ratified and the General Manager of the Authority was authorized to accept the final pricing of the Amended Swap Agreement subject to the requirements of Paragraph 3 which are that the Counterparty shall be obligated to pay an amount equal to a percentage of the 5 year London Inter-Bank Offered Rate ("LIBOR") Index of 59.91%, multiplied by the notional amount provided for in the Swap

Agreement, as reflected by the outstanding principal amount of the Bonds, and the actions of the General Manager are ratified and the General Manager of the Authority was further authorized to execute any documents evidencing such acceptance.

#### 5. Payments Under the Swap Agreement

Payment obligations (except any termination payments) of the Authority under the Swap Agreement will be general obligations of the Authority. The Authority hereby covenants that it shall include the amount of scheduled payments (except any termination payments) due thereunder for each fiscal year in which such sums are payable in its budget for that year; shall appropriate such amounts from its general revenues to the payment of such scheduled payments; and shall duly and punctually pay or cause to be paid the scheduled payments (except any termination payments) on the dates and places and in the manner stated in the Swap Agreement according to the true intent and meaning thereof, and for such proper budgeting, appropriation and payment, the general unsecured, unenhanced obligation of the Authority is hereby irrevocably pledged.

The Authority hereby covenants that it shall include any termination payment due under the Swap Agreement, for which revenues are not otherwise available in the fiscal year in which such termination payment is due, in its budget to be adopted for the fiscal year immediately following the fiscal year in which such termination payment is due, and that it shall appropriate and pay such termination payment from its general revenues promptly, when first available. Nonetheless, to the extent revenues are available for the payment, in whole or part, of a termination payment in the fiscal year in which such termination payment is due, the Authority shall pay such termination payment promptly from its general revenues.

The Authority covenants with the Counterparty, and proper officers of the Authority are hereby authorized and directed, to withdraw from the General Fund (or from the Sinking Fund hereinafter authorized) and pay to the Counterparty on or before the appropriate payment dates set forth in the Swap Agreement (or as and when otherwise due by its terms and in order to provide same-day, available funds for timely payment), amounts required to pay the periodic scheduled payments and any other amounts due and owing under the Swap Agreement.

In the event the Authority determines the same to be necessary or beneficial, and with the consent of the Counterparty, the Authority hereby authorizes to be established, a Sinking Fund for the payment of the periodic scheduled payments and any other amounts due and owing under the Swap Agreement, with a paying agent, to be named, and further covenants to maintain such Sinking Fund until such obligations are paid in full. Proper officers of the Authority are hereby authorized and directed to contract with any such paying agent for its services in such capacity.

Exhibit 6A to Appendix I hereto sets forth the estimated periodic scheduled payments to be paid and received by the Authority pursuant to the Swap Agreement. Exhibit 7A to

Appendix I hereto sets forth the maximum periodic scheduled payments to be paid by the Authority pursuant to the Swap Agreement followed by Exhibit 7B entitled "Maximum Aggregate Net Debt Service" in Appendix I listing the maximum combined obligations of the Authority taking into account the periodic scheduled payments, not including any termination payments, due under the Swap Agreement together with the interest portion of the Bonds, assuming that the maximum interest rate on such Bonds is in effect.

6. Binding Effect to Covenants and Agreement. All covenants, obligations and agreements of the Authority set forth in this Resolution, the Resolution adopted on October 9, 2008 and in the documents authorized hereby shall be deemed to be the covenants, obligations and agreements of the Authority to the fullest extent authorized or permitted by law, and all such covenants, obligations and agreements shall be binding upon the Authority and its successors from time to time and upon any board or body to which any powers or duties affecting the same shall be transferred by or in accordance with law. Except as otherwise provided in this Resolution, all rights, powers and privileges conferred and duties and liabilities imposed upon the Authority or the members thereof by the provisions of this Resolution or the documents authorized hereby shall be ratified, exercised or performed by such members, officers or other representatives of the Authority as may be required or permitted by law to exercise or perform the same. No covenant, obligation or agreement herein contained in any documents authorized hereby shall be deemed to be a covenant, obligation or agreement of any member, officer, agent or employee of the Authority in his or her individual capacity and neither the members of the Authority nor any officer executing the 2008 Confirmation or any other document authorized by this Resolution shall be liable personally thereunder or be subject to any personal liability or accountability by reason of the execution and delivery thereof.
