The WMSSSA offers a swimming pool credit for customers who have swimming pools on their current property. We recognize that when installing a brand-new pool or replacing a liner that the water you are using to fill up the pool, is not going into our sewage system.

WMSSSA offers:

- a 1-time full consumption adjustment when a brand-new pool is installed.
- a 1-time full consumption adjustment the first time a liner is replaced.
- after your first liner replacement, we offer a 50% consumption adjustment discount. **(Meaning WMSSSA will adjust 50% of consumption off of the sewage bill and the customer is responsible for paying the other 50% of the consumption used to fill the pool.)**

Please fill out the application below, & submit all proper information & paperwork to htartler@wmssma.org. You may also send this information to us via mail, or drop it off at our office, located at 1302 Lower Bull Run Road, West Mifflin Pa, 15122. If you have any other questions, please give us a call at (412)-466-6070 ext.201.
