Mr. Douglas M. Seeley, P.E. Acting District Executive PA Department of  
Transportation  
District 11-0  
45 Thoms Run Road Bridgeville, PA 15017

ATIN: District Utility Relocation Administrator

Subject: Request for Abbreviated Incorporate Utility Work Allegheny County  
2025 Allegheny Group 2 and ECMS 108526  
SR 2032 Section A03

Dear Mr. Seeley:

We are requesting that the minor adjustments of approximately 2 manholes be incorporated into the Department's prime construction contract because it would be in the best interest of the Department to incorporate this work. The labor cost is estimated to be equal to or less than the material costs and the total relocation cost is estimated to be less than \$20,000.00.

We will supply all necessary material needed for these adjustments provided the Department pay for the labor required for these minor adjustments. It is understood by both parties that a non-reimbursement agreement for this work is required.

Sincerely,

Gary M Stetar  
General Manager
