

"Building Pride in the Green Industry"

MISSION STATEMENT

The Nevada Landscape Association provides leadership by promoting professionalism and integrity within the green industry through education, high standards, and community involvement. We guide policy and uphold responsible resource management for the beautification and enhancement of our community.

CODE OF ETHICS

- Will not advertise in a false or misleading manner regarding certification, licensing, and insurance coverage or regarding qualifications or benefits to be expected from services.
- Will abide by and promote the laws, ordinances and best management practices in a manner that will further the status of the landscape industry as a respected profession.
- Will not, if employed in a public capacity, compete unfairly with others in private business or recommend a professional in private business above others in the community where all agree equally qualified and available.
- Will avoid making unfounded statements, which, in any way, might injure the professional reputation of another.
- Will uphold a safe working environment and promote training and education of employees as essential to the maintenance of high standards.

I have read and will abide by the Code of Ethics set forth by the Nevada Landscape Association.
