

BiW4Teens Program – Multi-Patient Visit Log

Write the youth's name and date of birth in the gray space above the visit date. If applicable, make notes about no shows or upcoming appointments in the notes section. Record visit date of each patient contact and use one of the following visit codes to signify what type of contact it was:

CV = Clinic Visit PC = Phone Call T = Text E = Email

Youth should be seen in the clinic every 2 weeks while they are working through the BiW4Teens program materials. Once youth complete the program materials, they begin the maintenance phase of the program. During the maintenance phase, youth should be seen in the clinic once a month. Ideally youth should follow the BiW4Teens program for a minimum of 6 months.
