OUR TEAM

Marketing & Business Development Firm

“Orange Garage aims to help organisations adapt to the changing world of marketing through digital and business development.”

Orange Garage is an initiative born out of a few marketing enthusiasts from IIM Jammu with an aim to bridge the existing gap between organisations and their potential customers due to ineffective traditional marketing.

We specialise in running hyper-targeted campaigns that are matched with the need of the hour and produce measurable results.

What we do for your business...

CAPTURE

and retain a bigger slice of the market pie.

ENGAGE

with potential customers in real time and get quicker feedback.

DIGITALISE

your presence and offerings for a multifold exposure to your audience.

IDENTIFY

and research the potential gaps and how to overcome them.

ALIGN

and customise it with the most comprehensive marketing tools and techniques.

WHAT DO WE OFFER ?

□ OUR SERVICES

Digital Marketing

Drive measurable growth through multiple channels like social, content, SEO, PPC, Email and Analytics.

Business Development

Increase awareness and expand your market by foraying into new partnerships.

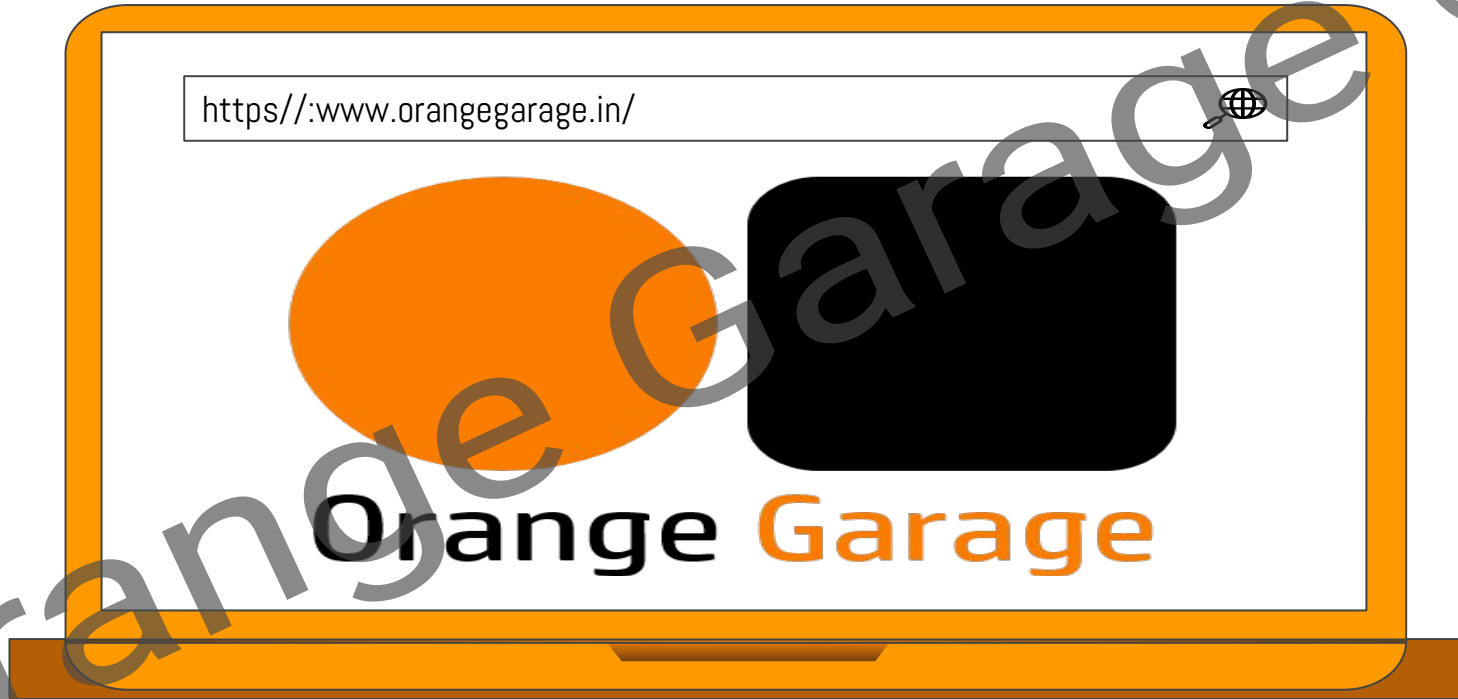

Micro-Influencer Marketing

Get relevant and hyper-localized engagement for your business.
