

# YOUNG ENTREPRENEURS.

## *Business Fair*

# MEET YOUR ORGANIZERS

"All youth have the ability to do BIG things. That is why Big Brothers Big Sisters of Triangle (BBBST) ignites the potential within every child and advocates for them to explore the endless possibilities of what they can accomplish. Mentorship is the one of the most powerful tools that we have to close the gap between people and possibility."

- **Big Brother Big Sister of the Triangle**

"As someone deeply passionate about fostering the growth and development of our youth, I believe that such events play a pivotal role in shaping the future leaders and innovators of our society."

- **Aalisha Naik | CEO & Founder**

# Mission

This event is designed to empower young minds and nurture their entrepreneurial spirit, and we believe your child has the potential to shine.

"One-day fair brighten communities."

"An experience *kidpreneurs*  
never forget."

"Businesses created and launched by children."

"Where children become  
• business owners!"

# Why the Young Entrepreneurs Business Fair

01

## Nurturing Entrepreneurial Spirit

Encourages kids to think creatively, identify opportunities, and develop innovative solutions.

02

## Hands-On Learning Experience

Unlike traditional classroom settings, business fairs offer a hands-on learning experience where kids can apply theoretical knowledge in a practical setting.

03

## Building Confidence & Independence

Children to take ownership of their ideas and projects, giving them sense of independence, responsibility, confidence & self-esteem.

04

## Financial Literacy

Kids can learn about budgeting, pricing, and revenue generation in a fun and engaging manner.

# Why the Young Entrepreneurs Business Fair

05

## Networking Opportunities

Establishing connections early in life can open doors to future collaborations and partnerships with peers, mentors, and the community.

06

## Fostering Innovation

By nurturing their creativity and problem-solving abilities, we pave the way for a generation that thinks outside the box.

07

## Real-World Application of Skills

Kids develop skills that are transferable to various aspects of their lives, be it academia, sports, or personal relationships.

# The BIG Idea

The Young Entrepreneur Business Fair is not just an event; it is an investment in the future of our community. By supporting and encouraging our kids to participate, we contribute to their holistic development and prepare them for the challenges and opportunities that lie ahead.
