Multimedia Production, Digital Content Writing

## EXPERIENCE

### **Sisters of the Holy Cross, Notre Dame, IN — Digital Content Writer** November 2023 - Present

Writing and developing short and long-form content and copy for the Sisters communication platforms, targeted towards internal and external audiences. Writing content includes blogs, social media, and magazines, with emphasis on collaboration with the design and archival team.

### **Uzima Drum and Dance, South Bend, IN — Videographer**

August 2023 - Present

Freelance film and photography for African dance group Uzima, compiling and editing content for promotional purposes.

### **WCRD 91.3 FM, Muncie, IN — Assistant General Manager**

January 2021 - May 2023

As Assistant General Manager, I supervised our station's five departments: Music, Programming, News, Weather, and Social Media. Duties of my position included working with all departments in maintaining the automation and streaming system, aiding in the compiling and maintaining contents of the station's FCC Public Inspection File, and hosting meetings with management staff and individuals as necessary.

## EDUCATION

### **Ball State University, Muncie, IN — Multimedia Production**

August 2019 - May 2023

Bachelor's Degree in Multimedia Production. I was professionally trained in videography, audio production, motion graphics/animation, elements of graphic design, HTML/CSS, non-linear editing and post production.

## PROJECTS

### **Unstoppable: Tiara Thomas (2022) — Digital Illustrator**

I worked as a Digital Illustrator for BSU's documentary on Grammy and Oscar award winning Ball State University Alum, Tiara Thomas. I worked to produce art for the content of the documentary and designed the title sequence.

### **Target Ink (2022) — Director and Producer**

I worked with an art student at BSU and Underdogs Tattoo Gallery in New Castle, IN to create a documentary on an aspiring tattoo artist who visits a tattoo shop for advice, contemplating their choice in a career due to societal pressure.
