CULLERCOATS METHODIST CHURCH AND THE FISHERMEN'S MISSION CHURCH PROJECT SAFEGUARDING POLICY

Statement of Safeguarding Principles

It is the Methodist Church's intention to value every human being as part of God's creation and the whole people of God. At the heart of the Methodist community is a deep sense of the place of welcome, hospitality and openness, which demonstrates the nature of God's grace and love for all.

Our church communities are called to be places where the transformational love of God is embodied and life in all its fullness is a gift, which is offered to all people.

Principles

Safeguarding is about the action the Church takes to promote a safer culture. This means we will:

- **promote** the welfare of children, young people and adults
- work to **prevent** abuse from occurring
- seek to **protect** and respond well to those that have been abused.

We are committed to:

- the care and nurture of, and respectful pastoral ministry with, all children, young people and adults
- safeguarding and protecting all children, young people and adults when they are vulnerable
- establishing safe, caring communities, which provide a loving environment where there is informed vigilance as to the dangers of abuse.

We will carefully select and train all those with any responsibility within the church, in line with safer recruitment principles, including the use of criminal records checks through the Disclosure and Barring Service (DBS) and The Protecting Vulnerable Groups (PVG) scheme in Scotland.

We will respond without delay to every safeguarding concern, which suggests that a child, young person or adult may have been harmed, working in partnership with the police and social services in any investigation.

We will seek to work with anyone who has suffered abuse, developing with them an appropriate ministry of informed pastoral care.

We will seek to challenge any abuse of power, especially by anyone in a position of trust.

Working with the Church Safeguarding Officer, we will support risk assessment of those who present a safeguarding risk within a church environment. We will ensure appropriate pastoral care is offered and measures are taken to address identified risks including referral to statutory agencies, suspension and the use of safeguarding contracts.

In all these principles, we will follow legislation, guidance and recognised good practice.

Cullercoats Methodist Church and the Fishermen's Mission Church Project Safeguarding Policy

Safeguarding Children, Young People and Vulnerable Adults Policy for Cullercoats Methodist Church and the Fishermen's Mission Church Project

Purpose

The purpose of the church safeguarding policy is to check that procedures are in place and provide clarity about the roles and responsibilities of those trusted with promoting the church as a safe space for all its users.

This policy was agreed at a Church Council held on 23rd September 2026.

The Methodist Church, along with the whole Christian community, believes each person has a value and dignity which comes directly from God's creation in God's own image and likeness. Christians see this as fulfilled by God's re-creation of us in Christ. Among other things, this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

Cullercoats Methodist Church and the Fishermen's Mission Church Project is committed to the safeguarding and protection of all children, young people and adults and affirms that the needs of vulnerable individuals at risk are paramount.

Cullercoats Methodist Church and the Fishermen's Mission Church Project recognises that it has a particular care for all who are vulnerable whether as a result of disabilities or reduction in capacities or by their situation. It is recognised that this increased vulnerability may be temporary or permanent and may be visible or invisible, but that it does not diminish our humanity and our wish to affirm the gifts and graces of all God's people.

This policy addresses the safeguarding of children, young people and vulnerable adults. It is intended to support the church in being a safe supportive and caring community for children, young people, vulnerable adults, for survivors of abuse, for communities and for those affected by abuse.

Cullercoats Methodist Church and the Fishermen's Mission Church Project recognises the serious issue of the abuse of children, young people and vulnerable adults and recognises that this may take the form of physical, emotional, sexual, financial, spiritual, discriminatory, domestic or institutional abuse or neglect, abuse using social media, child sexual exploitation or human trafficking (slavery). It acknowledges the effects these may have on people and their development, including spiritual and religious development. It accepts its responsibility for ensuring that all people are safe in its care and that their dignity and right to be heard is maintained. It accepts its responsibility to support, listen to and work for healing with survivors, offenders, communities and those who care about them. It takes seriously the promotion of welfare so that each of us can reach our full potential in God's grace.

Cullercoats Methodist Church and the Fishermen's Mission Church Project commits itself to:

1. **RESPOND** without delay to any allegation or cause for concern that a child or vulnerable adult may have been harmed or may suffer harm, whether in the church or in another context. It commits itself to challenge the abuse of power of anyone in a position of trust.

2. **IMPLEMENT** the Methodist Church Safeguarding Policy, government legislation and guidance and safe practice in the circuit and in the churches.

3. **PROVIDE** support, advice and training for lay and ordained people to ensure that people are clear and confident about their roles and responsibilities in safeguarding and promoting the welfare of children, young people and adults who may be vulnerable.

4. **AFFIRM** and give thanks for those who work with children, young people and vulnerable adults and also acknowledge the shared responsibility of all of us for safeguarding children, young people *and* vulnerable adults who are on our premises.

Church Council

Legal responsibility for safeguarding rests with the members of the Church Council. The safeguarding officer should be a member of the Church Council or have the right to attend at least annually to report on implementation of the safeguarding policy. Where an individual covers the role in more than one location, they must be able to cover the activities identified in the relevant role outline and be facilitated to attend meetings to report on safeguarding in each location.[1]

a) Good practice

We believe that good practice means:

i) All people are treated with respect and dignity.
ii) Those who act on behalf of the church should not meet or work alone with a child or vulnerable adult where the activity cannot be seen unless this is necessary for pastoral reasons, in which case a written record will be made and kept noting date, time and place of visit.
iii) The church premises will be assessed by a member of the safeguarding team with a member of the property team at least annually for safety for children, young people and vulnerable adults and a written risk assessment report will be given annually to the Church Council. This will include fire safety procedures. The Church Council will consider the extent to which the premises and equipment are suitable or should be made more suitable.
iv) Any church-organised transport of children, young people or vulnerable adults will be checked to ensure that the vehicle is suitable and insured and that the driver and escort (where required) are appropriate. A record should be kept in the church file for each driver/car.
v) Activity risk assessments will be undertaken before any activity takes place to minimise the risk of harm to those involved. Approval will be obtained from the event leader/minister. A written record of the assessment will be retained securely.
vi) Promotion of safeguarding is recognised to include undertaking those tasks which enable all God's people to reach their full potential. The Church Council will actively consider the extent to which it is succeeding in this area.

These things are to safeguard those working with children, young people and those adults who may be vulnerable.

b) Appointment and training of workers in the church

Workers will be appointed after a satisfactory criminal records check and following the safer recruitment procedures of the Methodist Church. Each worker will have an identified supervisor who will meet at regular intervals with the worker. A record of these meetings will be agreed and signed and the record kept. Each worker will be expected to undergo safeguarding training within the first 6 months of appointment. The other training needs of each worker will be considered (such as food hygiene, first aid and lifting and handling).

c) Pastoral visitors

Pastoral visitors will be supported in their role with the provision of safeguarding training upon appointment. If they are undertaking tasks for which a criminal records check would be required, this will be undertaken prior to appointment.

d) Guidelines for working with children, young people and vulnerable adults

A leaflet outlining good practice and systems should be given to everyone who works with children, young people and vulnerable adults. This leaflet should be reviewed annually.

e) Ecumenical events

Where ecumenical events happen on church premises, safeguarding is the responsibility of this Church Council.

f) Events with church groups off the premises

Adequate staffing, a risk assessment and notification of the event will be given to the Safeguarding team chair prior to the agreement for any event or off site activity.

Notification of the event will be given to the church council secretary: Jill Turner

If the activity is unusual or considered to be high risk the Church Safeguarding team will contact the Circuit Safeguarding Officer in order that it can be ratified or any queries raised.

g) Other groups on church premises

Where the building is hired for outside use, the Church Safeguarding team should be informed. The Church Safeguarding team will keep the records and take advice as appropriate from the Circuit Safeguarding Officer as needed.

h) Complaints procedure

There is a formal complaints procedure within the Methodist Church which allows concerns to be raised about actions or behaviour by a member or officer of the Church. In addition, employed staff will be subject to relevant contractual procedures.

All complaints will be responded to with care, diligence and impartiality.

A complaint should be addressed to the Circuit superintendent minister, Revd. Eva Walker, and, if a complaint is made to another person it should be referred to the Circuit superintendent. Meetings will be arranged with the person making the complaint and, usually, the person against whom the complaint has been made, in an attempt to resolve it. If the complaint is against the superintendent, it should be sent to the District Chair, the Revd. Jona Sewell at 246 Wingrove Road North, Fenham, NE4 9EJ

Safeguarding officers must be informed of any complaint or issue relating to the potential abuse of children, young people or adults who may be vulnerable. They will support prompt action to respond to the circumstances of any safeguarding concern, whether or not any party involved wishes to make a formal complaint through the Methodist Church.

Review

This policy will be reviewed annually by the Church Council.
Next review date: September/October 2027
