WELCOME!

The consignors would like to welcome everyone to the
14th annual CREAM OF THE CROP KIKO SALE.

The Cream of the Crop Sale has the animals you have been looking for. The sale will again be offering a superb collection of New Zealand, purebred and percentage Kikos representing all the top genetics of the breed...Something for Everyone!

The Kiko goat has proven its hardiness and reliability on farms and ranches across the nation and now university research and performance test results are confirming what long-time breeders have always known — when looking for ease of management, hardiness and quality meat-production, it is time to look at Kikos.

All animals to be sold are registered with the National Kiko Registry and all are DNA-tested and parentage verified.

Please feel free to ask the consignors about their consignments. We all are ready to stand behind — and talk about — our Kikos!

TERMS AND CONDITIONS

BIDS & DISPUTES: In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the Buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

ANNOUNCEMENTS: Every effort was made to assure the correctness of this catalog, however all announcements from the auction block will take precedence over printed matter in catalog. Buyers are therefore cautioned to pay attention to all such announcements.

CERTIFICATES OF REGISTRY: A copy of the Certificate of Registration will be furnished to the Buyer for each animal at the conclusion of the sale. After payment has been processed, the certificate and transfer application will be submitted by the seller to the NKR Registrar. After the transfer has been completed, the original certificate will be mailed to the Buyer.

EMBRYOS & SEMEN: All shipping fees for frozen embryos and frozen semen will be the responsibility of the buyer. It is the responsibility of the buyer and seller to finalize the transfer of the frozen embryos and frozen semen.

SHIPPING: Assistance will be given in making shipment arrangements after the sale, but the Sales Management and/or the Seller assume no risk. Expenses incurred are the responsibility of the Buyer. Buyers are requested to furnish shipping instructions when making settlement. All animals must be loaded day of sale unless prior arrangements are made.

ACCIDENTS: Although every precaution will be taken to protect the safety and comfort of the Buyers, neither the Sales Management, the Auctioneer, nor the Sellers assume any responsibility in the matter and disclaim any liability, legal or otherwise, in case of accidents or loss of property.

RIGHTS & OBLIGATIONS: The above terms of the sale will constitute a contract between the Buyer & the Seller and be equally binding to both. Resale of animals following purchase in the sale will constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale. The CoC sale management is coordinating the auction as a service to its consignors and is acting only as an agent. CoC sale management is not responsible for the health or pedigree information of the livestock in the sale.

HEALTH PAPERS: Sellers will provide health certificate from point of origin to Corydon, Ind.

LOADING OF ANIMALS: No loading of animals until sale is completed. Your understanding & cooperation will be greatly appreciated.
