WELCOME!

Welcome back to the much-anticipated Cream of the Crop Sale, now in its 18th year! This event is not just a sale — it's a celebration of the finest New Zealand and Purebred Kikos that the goat farming community has to offer. With exciting new research and performance test results reinforcing what dedicated breeders have known for years, we can confidently say when it comes to ease of management, resilience and exceptional meat production, the Kiko goat truly stands head and horns above the rest!

Every animal in our sale is registered with the National Kiko Registry and has undergone thorough inspection and DNA parent-verification. You can trust that you're making a quality investment that will benefit your farm for years to come.

We warmly invite you to connect with us and our amazing consignors. Have questions? Want to share your thoughts? We're here to listen!

Together, let's celebrate our shared passion for Kikos and strengthen our supportive community. Join us in elevating your goat farming experience and let's make this sale an event to remember!

Terms & Conditions

BIDS & DISPUTES: In case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the Buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

ANNOUNCEMENTS: Every effort was made to assure the correctness of this catalog, however all announcements from the auction block will take precedence over printed matter in catalog. Buyers are therefore cautioned to pay attention to all such announcements.

CERTIFICATES OF REGISTRY: A copy of the Certificate of Registration will be furnished to the Buyer for each animal at the conclusion of the sale. After payment has been processed, the certificate and transfer application will be submitted by the seller to the NKR Registrar. After the transfer has been completed, the original certificate will be mailed to the Buyer.

EMBRYOS & SEMEN: All shipping fees for frozen embryos and frozen semen will be the responsibility of the buyer. It is the responsibility of the buyer and seller to finalize the transfer of the frozen embryos and frozen semen.

SHIPPING: Assistance will be given in making shipment arrangements after the sale, but the Sales Management and/or the Seller assume no risk. Expenses incurred are the responsibility of the Buyer. Buyers are requested to furnish shipping instructions when making settlement. All animals must be loaded day of sale unless prior arrangements are made.

ACCIDENTS: Although every precaution will be taken to protect the safety and comfort of the Buyers, neither the Sales Management, the Auctioneer, nor the Sellers assume any responsibility in the matter and disclaim any liability, legal or otherwise, in case of accidents or loss of property.

RIGHTS & OBLIGATIONS: The above terms of the sale will constitute a contract between the Buyer & the Seller and be equally binding to both. Resale of animals following purchase in the sale will constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale. The COC sale management is coordinating the auction as a service to its consignors and is acting only as an agent. COC sale management is not responsible for the health or pedigree information of the livestock in the sale.

HEALTH PAPERS: Sellers will provide health certificate from point of origin to Corydon, Ind.

LOADING OF ANIMALS: No loading of animals until sale is completed. Your understanding & cooperation will be greatly appreciated.
