About Us

Progression 7 are a brisbane film production studio who specialise in independent short and feature length motion pictures in the local and global film market.

We partner with international teams to bring the best to Brisbane and to give our best, to the world.

Why are we doing this?

One of the most competitive industries of all, feature film creators require a lot of time and resources to bring their dreams to the silver screen.

With A\$30,000, this can bring a feature to life.

Applicants will need to provide a full featured movie pitch to be compared by our expert panel of judges so we can be sure the prize goes to the team most worthy.

We're going to help make dreams come true. And help create a new breed of iconic Australian films for the world to see.

This is your invitation to become a valued partner of our Feature 30 Film Competition!

There are 4 levels of sponsorship available:

Platinum Tier - \$25,000 (1 spot available)

Tier 1 - \$5,000 (2 spots left)
