Show Support

Thanks to the generous support of our sponsors, the Affirming Our Identities: Awareness to Action Conference will feature exciting opportunities for 200+ attendees to have meaningful conversation, make connections, and grow together as change agents who are culturally and trauma informed, anti-racist, anti-oppressive and more sensitive to their clients' identities. This event will be attended by mental health professionals from across the state of Alaska and the lower 48 and is a great place to network with peers and potential partners. Our range of sponsorship opportunities are designed to ensure the conference is accessible and representative of the many diverse stakeholders engaged in the mental health field.
