

LADIES' NIGHT OUT

Ladies' Night Out is a free monthly dinner with a Christian message and activities that provide positive social interaction and relationship development to the ladies of the community. We invite them to witness Christianity first hand by demonstrating love, generosity, and acceptance. We offer a home-cooked dinner, share a personal testimony or gospel message from one of our volunteers, engage in discussion, and provide an invitation to give one's life to Jesus Christ.

AFTER HOURS

After Hours is a spontaneous, Spirit-led ministry. Niagara Falls Outreach Ministry members visit and provide practical acts of service as they are led by the Holy Spirit. Past activities include planting flowers, cleaning the alley of trash and spending time with the people we encounter on the street. Relationships are developing rapidly and hearts are opening to receive the love of Jesus. Plans to further this ministry include social outings and "by-invitation" breakfast dates in the park.

SUPPORT

Our ministry is continuously growing in response to the needs of the community and the resources available to us. **We are 100% volunteer, which means donations are used 100% for meeting the needs of the people we serve.** Please help us stay on the streets by providing cash donations or non-perishable groceries such as:

Canned macaroni
Canned chili
Tuna
Granola/ fruit & grain bars
Mac & cheese
Mashed potatoes, stuffing, rice, etc.
Canned fruits & vegetables

NIAGARA FALLS
OUTREACH MINISTRY

OUR MISSION

We bring the life-changing good news of Jesus Christ to the people in the inner city of Niagara Falls. We demonstrate this through word and kind actions. We not only introduce them to Christ, but walk alongside them in both their spiritual and life journey.

In the midst of criminal activity, prostitution, addiction and pain, the light of Christ shines in the darkness.

AFTER CARE

When someone makes the decision to receive Christ, we take the important step of supporting them in their growth to a new life. During rehab we visit them, take them to church, and spend time with them on day passes. Upon their release we are able to offer some assistance with clothing and furniture. NFOM believes the family of Christ is a healing body, providing comfort, support and assistance with acceptance and love. We rejoice in the truth of the scripture, "Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come." 2nd Corinthians 5:17

ONE BODY

NFOM partners with other community outreaches and ministries. We believe we are all one church with many expressions of faith in service, and operate with a unified message of Christ. Past and present ministries, and individual affiliations to date are listed below. Please feel free to reach out to us for additional information on their services. If you would like to partner with us, please let us know.

STREET MINISTRY

Niagara Falls Outreach Ministry sets up tables on the streets of Niagara Falls the 1st & 3rd Saturday of each month, year round. We give out non perishables, toiletries, hot & cold meals, clothing, prizes on our spin wheel, Bibles, and Christian reading material, all while sharing the life changing gospel message. We pray with people, listen to their stories and get to know them. We also offer church rides, transportation to rehab and a visit to a Christian recovery facility.

When requested on our ministry page we deliver food to homes if needed.

To volunteer with NFOM please call
