### CAPABILITY STATEMENT

Tripoint Protection Group is a Service-Disabled Veteran-Owned Small Business (SDVOSB) delivering elite protection, investigations, and embedded risk support for high-threat, high-stakes environments. We serve private clients, critical infrastructure operators, and public agencies with specialized teams built for operational effectiveness, discretion, and rapid deployment.

### Core Competencies

- **Executive Protection** – Armed/unarmed close protection for VIPs, dignitaries, and high-risk principals
- **Secure Transportation** – Protective driving, motorcade planning, and travel risk mitigation
- **Protective Intelligence** – Threat assessments, surveillance detection, and intelligence reporting
- **Private Investigations** – Insurance, civil, corporate, and personal investigations
- **Surveillance Detection** – Red team operations and counter-surveillance measures
- **Emergency Action Planning** – Custom EAPs, continuity plans, drills, and scenario development
- **Standby Safety Support** – On-site response personnel for remote sites, special events, or project safety
- **Embedded Risk Support Personnel** – Safety and contingency professionals integrated with client teams during travel, projects, or field operations
- **Disaster Security & Crisis Extraction** – Armed security, evacuation, damage assessments, and supply delivery during natural disasters or civil unrest
- **Risk Assessment & Contingency Planning** – Site evaluations, mission readiness planning, and mitigation strategies
- **Travel & Operational Monitoring** – GPS tracking, real-time situation reporting, and safety oversight for mobile teams
- **Estate & Infrastructure Consulting** – Emergency planning for private estates, ranches, telecom, and utility operations

### Differentiators

- **Elite Personnel** – Former special operations, SWAT, federal law enforcement, and public safety professionals
- **Integrated Mission Support** – Security, investigations, risk planning, and safety services under one unified team
- **Veteran-Led & SDVOSB Certified** – Strategic leadership backed by military precision and operational integrity
- **Global Reach** – Capable of deployment nationwide and abroad with vetted personnel and scalable infrastructure
- **Ethical & Discreet** – Trusted in high-profile, high-stakes environments with client privacy as a priority
- **Certified & Compliant** – NC PPSB licensed, ICS/NIMS-aligned, FEMA doctrine aware
- **Additional Credentials** – FAA Part 107 Remote Pilot, IAAI-FIT (Fire Investigator Technician)
