# TOWARD EVER BETTER

Committed to producing 90% sustainable products by 2025, Cutter & Buck believes harmony is possible between business, nature and society.

We are committed to sustainability and the creation of long lasting products through sustainable production practices. We focus our Sustainability Objectives in three areas:

- / **Sustainable Products - Committed to 90% sustainable products by 2025**
- / **Sustainable Operations - Zero Air Freight & Digital Materials**
- / **Sustainable Production - Fair Labor Organization**

2022 Sustainability & Social Responsibility Stats: Our Toward Ever Better initiative of sustainable products containing recycled content certified by the Global Recycled Standard utilized more than 9.1 million post-consumer recycled plastic bottles in the year 2022.
