

QUICKCABLE

Material Safety Data Sheet (MSDS)

Description: Acid Spill Absorber and Neutralizer

QC Part Number: 510130

BP Part Number: ASAN5, ASAN30

SECTION I CONTACT INFORMATION

Date: 07/2013

Quick Cable Corporation
3700 Quick Cable Drive, Franksville, WI 53126
Telephone: 1-800-558-8667

Emergency Telephone: INFOTRAC 1-800-468-1263
For US and Canada

Quick Cable Product I.D.: 510130
Battery Protectors Product I.D.: ASAN5, ASAN30

SECTION II HAZARDOUS INGREDIENTS/IDENTITY INFORMATION

Hazardous Components Specific Chemical Identity (Common Name(s))	CAS#	OSHA PEL	AGGIH TLV	Percent
Sodium Carbonate	497-19-8	NE	NE	<98

SECTION III PHYSICAL/CHEMICAL CHARACTERISTICS

Appearance and odor: Light Yellow Solids, No odor
Specific Gravity (H₂O=1): Not determined
Solubility in Water: Complete
Vapor Density (AIR=1): N/A
Freezing Point: Not determined
Vapor Pressure (mm Hg): Not determined
Boiling Point: NA
Evaporation Rate: (Butyl Acetate = 1) N/A

SECTION IV FIRE AND EXPLOSION HAZARD DATA

Flash Point (Method Used): None
Extinguishing Media: Water, CO₂, Foam, or Dry Powder
Explosive Limits: Not applicable
Unusual Fire and Explosion Hazards: Under fire conditions, this material will give off oxides of carbon
Special Fire Fighting Procedures: Wear self-contained breathing apparatus & full personal protective clothing to prevent any skin and eye contact with this material.

SECTION V REACTIVITY DATA

Stability: Stable
Materials to avoid: Concentrated mineral acids, aluminum, fluorine, magnesium and phosphorous
Hazardous Decomposition or By-products: Reacts with acids to release CO₂ and heat.
Hazardous Polymerization: N/A
Conditions to Avoid: Extreme Heat

SECTION VI

HEALTH HAZARD DATA

Primary Route(s) of Entry: None

Health Hazards: **Eyes:** Causes eye irritation. **Skin:** Skin irritation. **Ingestion:** May cause nausea and diarrhea. **Inhalation:** May cause irritation to respiratory tract.

Emergency and First Aid Procedures: **Eyes:** Flush thoroughly with fresh water for at least 15 minutes. Get medical attention. **Skin:** Flush with fresh water. Wash with soap and water. Remove contaminated clothes and shoes. Get medical attention. **Ingestion:** Give milk or water. Do not induce vomiting. Get medical attention. Never give anything by mouth to an unconscious person. **Inhalation:** Not under normal operations.

Carcinogenic Information: This material is not listed as a carcinogen by IARC, NTP, or OSHA

Medical conditions generally aggravated by exposure: Dermatitis or sensitive skin

SECTION VII PRECAUTIONS FOR SAFE HANDLING AND USE

Steps to be taken in case material is released or spilled: Contain spilled liquids. Wear protective clothing. Sweep or shovel solids or powder into a non-reactive chemical waste container. Dispose of material in accordance with local, state, and federal regulations. Flush spill area with water

Waste disposal Method: Dispose of in accordance with local, state or federal regulations.

Precautions to be taken in Handling and Storing: Store in a cool dry place.

SECTION VIII CONTROL MEASURES

Respiratory Protection: None

Local exhaust: None

Mechanical exhaust: None

Protective Gloves: Work gloves recommended

Eye Protection: Safety glasses

Other protective clothing and equipment: Not normally required

Work/Hygienic Practices: wash with soap and water

SECTION IX OTHER REGULATORY INFORMATION

This information is accurate to the best of Quick Cable Corporation's knowledge or obtained from sources believed by Quick Cable to be accurate. Before using this product, read all warnings and directions on the label.
