

Article 12. Wastewater from Outside MWS.

Section 12.01 Every hauler desiring to discharge wastewater at the treatment plant shall obtain authorization from the Manager.

Section 12.02 Any truck used or intended to be used for the discharge of wastewater at the treatment plant shall conform to the following requirements:

A. The container shall be watertight.

B. Tanks, containers or other equipment shall be so constructed that every portion of the interior and exterior can be easily cleaned and shall be kept in a clean and sanitary condition.

C. Piping, valves and permanent or flexible connections shall be accessible and easily disconnected for cleaning purposes.

D. The inlet opening, or opening to every container, shall be so constructed that the material will not spill outside during filling, transfer or transport.

E. The outlet connections shall be so constructed that no material will leak out, run out to other than the point of discharge and shall be of a design and type suitable for the material handled and capable of controlling the flow or discharge without spillage, undue spray or flooding immediate surroundings while in use.

F. No connection shall be made at any time between a tap or outlet furnishing potable water on any premises and any container or equipment holding material by any means other than an open connection.

Section 12.03 Prior to an approved hauler discharging wastewater at the treatment plant, the hauler must provide a wastewater sample and obtain test approval.

Section 12.04 The wastewater discharged by the trucks into the MWS shall not contain industrial waste, chemicals or other matter, with or without pretreatment that does not conform to the requirements of Section 8.01--General Discharge Prohibitions.

Section 12.05 Any wastewater to be discharged from trucks shall be discharged at the location designated by the NBMA at the treatment plant at the time or times fixed by the NBMA.

Section 12.06 The fee for disposal into the treatment plant, at the location designated, shall be provided by resolution of the Authority.
