

Article 2. Use of Public Sewers Required.

Section 2.01 The Owner of any Improved Property benefitted, improved or accommodated by a Sewer shall connect such Improved Property with such Sewer, in such manner as the Authority may require, within forty-five (45) days after notice to such Owner from the Authority to make such connection, for the purpose of discharge of all Sanitary Sewage and Industrial Wastes from such Improved Property, subject to such limitations and restrictions as shall be established by the Authority from time to time.

Section 2.02 All Sanitary Sewage and Industrial Wastes from any Connection Unit shall be discharged into a Sewer, subject to such limitations and restrictions as shall be established herein or as otherwise shall be established by the Authority from time to time.

Section 2.03 No Person shall place or deposit or permit to be placed or deposited upon public or private property within the Sewered Area any Sanitary Sewage or Industrial Wastes in violation of Section 2.01.

No Person shall discharge or permit to be discharged to any natural outlet within the Sewered Area any Sanitary Sewage or Industrial Wastes in violation of Section 2.02, except where suitable treatment has been provided which is satisfactory to the Authority.

Section 2.04 No privy vault, cesspool, sinkhole, septic tank or similar receptacle shall be used or maintained at any time upon any Improved Property which has been connected to a Sewer or which shall be required under Section 2.01 to be connected to a Sewer.

Every such privy vault, cesspool, sinkhole, septic tank or similar receptacle in existence shall be abandoned, and, at the discretion of the Authority, shall be pumped free of sewage and filled with suitable materials at the expense of the Owner of such Improved Property and under the direction and supervision of the Authority; and any such privy vault, cesspool, sinkhole, septic tank or similar receptacle not so abandoned, and if required by the Authority to be pumped and filled, shall constitute a nuisance and such nuisance may be abated as provided by law, at the expense of the Owner of such Improved Property.

Section 2.05 No privy vault, cesspool, sinkhole, septic tank or similar receptacle at any time shall be connected with a Sewer.

Section 2.06 The notice by the Authority to make a connection to a Sewer, referred to in Section 2.01, shall consist of a copy of the appropriate municipal ordinance or a summary of the relevant sections and a copy of the appropriate exhibits to the regulations specifying the manner in which the connection shall be made. Such notice may be given at any time after a Sewer is in place which can receive and convey Sanitary Sewage and Industrial Waste for treatment and disposal from the particular Improved Property. Such notice shall be served upon the Owner either by personal service or by registered mail or by such other method as at the time may be provided by law.
