2025

2025 Northwest High School Invitational

presented by the KPSL Sports Foundation

Making its debut in 2023, the **Northwest High School Invitational** is where top high school teams from across the region are chosen to come together and compete in one of the most exciting and competitive baseball events of the year. In addition to the competition and exposure for the programs and players, the NWHSI also raises money for important charitable causes within the sports community through the KP Sports Leadership Foundation.

Past Winners:

2024 Evans Division	Bainbridge Spartans
2024 Cheff Division	Lake Washington Kangs
2023 NWHS Invite	Federal Way Eagles

The mission of the **KP Sports Leadership Foundation**, a non-profit 501(c)(3), is to support young athletes in reaching their highest potential through various forms of leadership and access to sport. Through participation in youth sports, athletes will benefit from the positive impact within their own physical and mental health. The KP Sports Leadership Foundation, through various programs and scholarships, looks to create a pathway to meet the needs of our youth while molding them into future leaders.
