If a sponsor (industry/technology partner) registers as an Attendee only and does not reserve booth space, they will be registered as a regular attendee and may attend any class. They may NOT wear their respective company shirts, present, advertise, talk to attendees about their product offerings, or hand out business cards to attendees during the conference. If this is violated, they will be asked to leave without refund of their attendee fee. (The purpose of this clause is to be fair to the industry/technology sponsors who have purchased booth space.)

Each sponsor will supply the conference committee in advance, the names of all persons who will staff their booth in the Exhibit Hall. These names should be included (and the same as) on the online registration form. All representatives must wear an official conference badge during official Exhibit Hall hours and while manning their booth.
