*Sharing A Gift
With Singaporeans*

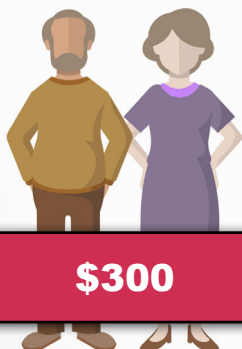

We expect a budget surplus in 2017. We will save up most of it for future needs, and share a part of it with Singaporeans through the SG Bonus.

This reflects our commitment to share the fruits of Singapore's development with Singaporeans.

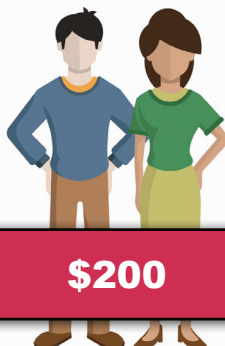

Every adult Singaporean[#] will receive a special cash payment in 2018 of at least \$100.

Save it, give your family a treat, or bring a smile to a fellow Singaporean by donating it to those who need it more.
