One but he gets three credits for it...sells drugs that keep people awake. I think that place is called Starbucks...I'm pretty sure he was a Fiji at Illinois Wesleyan. He was Phil Gebben's roommate...Big fan of Jerry Mathers, I think. Chris Egan

Hometown: Lombard Height: 6'2" Weight: (see photo) Declared Handicap: 14 WCS Handicap: 11.2

Undiagnosed OCD has developed into an unhealthy attachment to Tiger Woods, Nike, Michael Jordan, and Lance Armstrong. Much better than previous obsessions: the number 7 and

touching himself ...Just like the producers of the Mastercard “Priceless” commercials (or Head-On, apply directly to the forehead) never tires of repeating a joke. Hey Egan...SUCKS ... Man Law: no pooping on the golf course...Reigning WCS Champion. Let’s listen to what he said at last year’s post game press conference: “Shimo was in a green side bunker in 2 – takes 2 to get out -- makes the putt for par. I three-jack the best eagle opportunity I’ve ever had in my life to par but because I got a stroke I won” ...leading candidate for “Don’t let the bastards get you down” t-shirt...As a long time <insert current college football national champion> fan, he will be willing to root for <insert WCS champion>...The Larry Brown of the mutual fund industry... everyone was pulling for him on The Biggest Loser

Keeping the tradition alive of the great Polish golfers...Hoping he doesn’t “Bing” his way out of the awards ceremony...Secretly believes this year’s event is another surprise party for him. It’s not. However, if it will make you feel better we could put pumpkin pie mix in your shorts...First marital fight, accused Dee of cheating on her handicap...Thought he could park near the door because we told him that he is in charge of handicaps...Check his balls. Rumored to be hitting the Juice

crosses his legs when he sits, comments on fashion (owns white pants), extremely flexible, once divorced, sits when he pees, never seems to be watching "The Game". Probably you should revoke his Man Card. Probably...WCS contribution: Making playbooks for the playbooks of things with playbooks

Factoid: Has decided to "let himself go"

Brian Moore

Hometown: Freeport Height: 6'2" Weight: 200 Declared Handicap: 17 WCS

*West Coast Swing founder. At least **he** isn't so egomaniacal as to name it after himself... Listen for "I haven't picked up a golf club in a year" before he rips a 300 yard drive down the middle...The Swing's only left handed golfer. Think: Mickelson without the man boobs...Still think he looks like the lead singer of Sugar Ray...Suflacki...Known to be a little moody. Kind of like Colin Montgomerie at a post round press conference after they told him that his ex is sleeping with Hugh Grant. Kind of like that...Like Chandler on friends no one actually knows what he does for a living. We are pretty sure he is building tires...Bud Man, Cub fan*

Factoid: Although no one really knows the origin or meaning, he goes by the nickname "B".

Chris Bisailon

23 WCS Handicap: 18.4

Coach Nardi is the White Captain...Amadio not scared to refer to himself in the 3rd person...Last year Nardi made out with a girl within 30 seconds of talking to her. You know how boring airport security lines can be... If he decides to “phone it in” might bring his “cart charger” for his cell phone in case the battery runs low during the round...we will get ample opportunity to see his arms (and probably a shirtless hole or two)...available for breeding... works for the Family business schlepping olives for us foods... Will claim that “he never golfs” before each of our 5 rounds.

Factoid: Last golf outing, he made up his own cuss word: fuckinretarded. You will have to ask him for a definition

Named the WCS Consensus "Best Golfer to Have Never Parred a Hole"...WCS serves as a warm up to the Worst Avid Golfer tournament... His dream job: fluffer... With Caliento out harvesting twins, easily the slowest golfer. Seth could play three holes in the time it takes ROD to line up a putt... *We look down on Jason's lifestyle of meaningless sex with a different beautiful girl every night. (Just in case any wives are reading)...Word of advice: if he ever asks you to smell his fingers DON'T...Anxious to use Las VegasMatch.com. It will be much easier to take dates places that he will never go to again...Only smokes after sex. He is up to two packs a day...A couple more years and his car qualifies as a classic... Bowflex is not furniture...
