Gay? Me? Why would you think that? So I suck one cock and now I'm a cocksucker? Does this shade of red work for me?

This is the 1st year in forever that I've been healthy and I had to eat that entire cheese wheel? I swear to God my ass feels like an Icelandic volcano...

I remember fondly being pinned against the steam laden glass shower from behind, caving to the will my "Deliverance-esque" lover. The intoxicating blend of Bud Light Lime and Apple Skoal overpowered any apprehension I still harbored. The memory of the searing heat against my torso and the feathery touch of my lover completes me! I hope I get lucky again in Destin...

Oh how I've fantasized about draping a robe over JC as he leaves my chamber following his liniment oil rubdown. His powerful shoulders! His skin as smooth as his golf swing! I just don't care. I will close my eyes and dream about this in front of everyone!
