

The East Coast Swing

The East Coast Swing

The ECS was founded by FIJI hall-of-famers Jerry Blum and Art Cremieux. This is a shadow trip to the ever popular West Coast Swing. Very little is known about the ECS as they too have a “steering committee” which remains anonymous. What we do know is that the group has attended Branson Missouri for a scrabble tournament and Atlantic City for a comic book convention.

Attendees

All St. Rita Alums	Kevin Miles
