

# YOUTHNET

## SUMMER INTERNSHIP/ MENTOR PROGRAM

Spend a portion of your summer gaining experience & learning from local business owners, government officials, non-profits & more.

# ACCEPTING APPLICATIONS NOW - MAY 24

Are you interested in local government, finance, retail, healthcare, the environment, or other areas of business? YouthNet is partnering with local businesses, municipalities, and non-profits, to offer summer internships to Maplewood and South Orange High School Students.

Students will attend a series of workshops to ensure their success in the program.

Students will be paired with a YouthNet Mentorship

Supervisor and also be mentored during their Internship.
