

The MaRS logo consists of the letters 'MaRS' in a white, bold, sans-serif font, centered within a solid blue circle. The background of the slide features a low-angle shot of a modern glass skyscraper on the right and a portion of a classical stone building on the left. A large orange circle is positioned on the left side, overlapping the glass building.

MaRS

***MaRS Corporate
Innovation Network
Overview***

Open innovation is here

It's all about speed, collaboration, networks & more speed

Snow melts from the edges

An aerial photograph of a snow-covered mountain peak. The peak is a large, irregularly shaped mass of white snow, with a narrow, dark ridge extending downwards from its center. The background is a soft, out-of-focus blue and white, suggesting a sky or a distant horizon.

— Andy Grove

*"It's almost impossible to
see the disruptions from
the inside"*

In almost every case of disruption, someone in the organization has identified it but very seldom has access to the decision makers

Disruption occurs when the “value chain” that is vital to the existence of an company or industry is cut, re-engineered or made obsolete
