**We reserve the right to refuse any adoption if we feel your situation will not suit the dog's/puppy's requirements.**

**Please complete the application form as fully as possible. Dogs/puppies are fun, loving, playful, and a lot of work. Please be sure that you can make a commitment to the care of the dog/puppy before you submit your application.**

**Please be aware that in most cases we cannot confirm the exact pedigree/breed of a dog due to the circumstances in which the majority of them are found.**

**Please note that we insist on the spaying/neutering of all adopted dogs within three months of ownership. (This is usually done by us before the dog is made available for adoption.) We will need to be forwarded a written statement/receipt from the vet confirming that the spaying/castration has been carried out.**
