We reserve the right to refuse any application to foster if we feel your situation will not suit the dog's/puppy's requirements.

Please complete the application form as fully as possible. Dogs/puppies are fun, loving, playful, and a lot of work. Please be sure that you can make a commitment to the care of the dog/puppy before you submit your application.

Please be aware that in most cases we cannot confirm the exact pedigree/breed of a dog due to the circumstances in which the majority of them are found.

Please note that in some cases the dog may be sick and in need of medication or vet treatment. Although these would be covered by us, there will be an expectancy on you to administer any medication required and if possible to take the dog to the veterinary clinic that we use in Episkopi, Limassol.

Elysium Animal Rescue – Cyprus is not responsible for any damage caused by the dog and all efforts should be made to prevent/discipline the dog so that they do not have the opportunity to make damage. If you require a crate to put the dog in at night, or when you are out the house so that they are not free to cause damage or soil around the house, then please let us know and we will endeavour to provide one to you.

You can decline to take any dog at any time if it is not suitable for you and you can remove your name from our list of fosters if you decide you are unable to provide your services any longer.

Certification

I certify that I am at least 18 years of age and the information I have given is true and accurate to the best of my knowledge. I recognise that any misrepresentation of facts may result in my application to foster a dog from Elysium Animal Rescue – Cyprus being declined, and further applications may be refused.

I am fully aware that I am fostering a live animal with (in most cases) a limited amount of known medical history prior to being rescued/surrendered and as such I understand that Elysium Animal Rescue – Cyprus is unable to guarantee the health of the animal.
