

CLINICAL TUTORING

Are you left to your own devices in an online program?

Is your employer too busy to teach you anything?

Is too much group time spent on other people's questions?

How I can help:

- Clinical case consultation
- Class assignments and papers
- Law & ethics and license exam prep
- BBS application & clinical hours forms
- Job search and career direction
- Preparing for private practice

Session rates (45 minutes):

\$60 Graduate students & trainees

\$80 Associates & pre-licensed

\$100 Fully licensed clinicians

Group rates available on request

I began my tutoring career at 16, teaching English to both K-12 and adult students in Taiwan. Before becoming a therapist, I also worked for 7 years as a test prep and college application tutor. It would be my pleasure to support you in your professional development!
