

CLINICAL TUTORING

Are you left to your own devices in an online program?
Is too much group time spent on other people's questions?
Are you too busy with work to focus on clinical learning?

How I can help:

- Clinical case consultation
- Finding your theoretical orientation
 - Class assignments and papers
- Law & ethics and license exam prep
- Job search and career direction
- Preparing for private practice

Session rates (45 minutes):

\$60 Graduate students & trainees

\$80 Associates & pre-licensed

\$100 Fully licensed clinicians

I began my tutoring career at 16, teaching English to both K-12 and adult students in Taiwan. Before becoming a therapist, I also worked for 7 years as a test prep and college application tutor. It would be my pleasure to support you in your professional development!
