Mr Chroma Bottle

How did Mr Chroma Bottle happen?

I decided to combine Mr Milk Bottle with my Chromosome design. I did this by removing the Bottle's left leg and stuffing the Chromosome in the empty space. I made sure the two heads of the Chromosome remained visible. That's how I created Mr Chroma Bottle.

There is an extensive mythological history of one-legged heroes in the visual record.

Is MMB a hero?

No way.

For one thing he's a bottle. He's glass, not the stuff heroes are made of. He's empty without an iota of imagination or intellect. On top of that, Mr Chroma Bottle is a rubber hose cartoon character.

But Mr Chroma Bottle is very likeable. Everyone loves him. In this day and age that makes him some kind of hero or at least a cipher. He's happy with that.

Recently, a group of enthusiastic and grateful citizens commissioned me to create a public sculpture of the Bottle at my own expense. The following index is a record of its initial stages:
