

Travel Protection Questions to Ask

A practical worksheet for reviewing coverage options

Coverage, exclusions, time-sensitive benefits, and claim requirements vary by policy. Review the actual plan documents and ask questions before making a decision.

Questions to Ask

- ☐ What trip costs are nonrefundable?
- ☐ What covered reasons apply to cancellation or interruption?
- ☐ Does the plan include travel medical and emergency evacuation benefits?
- ☐ Are pre-existing condition provisions relevant to the travelers?
- ☐ What deadlines apply for purchasing coverage?
- ☐ What documentation would be needed for a claim?
