## Sponsorship Deadline - March 13

**Help build a place for veterans where strangers become friends,  
where hurts are healed and where faith is restored.**

Restore 22 is a 501(c)(3) nonprofit dedicated to providing an informal environment for military veterans to connect with each other and with resources that can enhance their quality of life. We offer free monthly events where veterans gather, share stories, find comfort and make new friends. Our goals are to:

- Reduce the 22 veteran suicides per day,
- Strengthen the veteran community,
- Assist all veterans in managing their unique challenges, and
- Bridge the gap between civilian perceptions and military realities.

**Our plan is to create Restore 22 Coffee Shop, a brick-and-mortar location for veterans to meet and take advantage of the services we provide and where the public are encouraged to come interact and to hear their stories. Currently, we are at 85% of our fundraising goal. Your support helps us carry out our mission and takes us closer to opening our coffee shop. Learn more at [restore22.org](http://restore22.org).**
