

The V.L. Foundation Scholarship for the Advancement of Education

The Lewis Scholarship for Leadership

This scholarship is in honor of the parents of the founder of The V.L. Foundation. Leadership is a quality that we all possess, however true leadership is the ability to bring out that quality and impact others. The Lewis family has been impacting their communities for years. The Lewis patriarch and matriarch George Lewis and Sorale Lewis spent their lives impacting at-risk youth. They believed that strong leadership creates a vision for the future.
