Essay

Deepak Chopra once said; Leadership to me means duty, honor, country. It means character, and it means listening from time to time to think we need the feminine qualities of leadership, which include attention to aesthetics and the environment, nurturing, affection, intuition, and the qualities that make people feel safe and cared for." Please write a 300-word maximum essay about when you had been a leader or use your leadership abilities to affect a situation. Please email the essay and application to thevfoundationpresident@gmail.com
