NARRATOR -

**It is a privilege to become a child of God, it's not automatic, it requires an active choice on our part, we have to ask Jesus into our hearts. Believing in Jesus signifies trusting in who He is and what He has done for us. And by believing we become children of God. Romans 8:31, If God is for us, who can be against us? And Hebrews 13:5, an echo of Deuteronomy chapter 31, versus 6 and 8, He will never leave us nor forsake us.**

**Well, hey babies, I was not expecting to see you all on the road to Jerusalem. But it's always a nice surprise to see yall !**

NARRATOR -

**In Bible times, children were overlooked and often considered insignificant. Jesus acted in a way that was radically counter-cultural, showing that everyone, even the smallest, all people matter to God. Matthew, chapter 19, One day children were brought to Jesus, the families wanted Jesus to put His hands on them and pray for them. The disciples shoo-ed them away. But Jesus spoke up, He said, "Let the children come to me! Do not prevent them from coming to Me. God's kingdom is made up of people like these." And Jesus held them and prayed over them. And the same is recorded in the book of Mark and the book of Luke. Jesus takes children very seriously, He said" Truly I tell you, anyone who does not receive the Kingdom of God like a child will never enter it."**
