

I just have a few questions so I can better assist you

Why do you want to start your business?

How long have you been delaying opening your business?

Or is this a new vision?

Is your business product, service or speaker?

Will your business be a store front, online or both?

Please share with me how and what you need help with also share anything you want me to know...

Why you feel you need a Coach?

Do you understand the advantages of having a Business Coach?

Please email this Questionnaire to me directly Askerikaestes@gmail.com

Looking forward to speaking with you!!
