Jesus states in Matthew chapter nine, "The harvest is plentiful, but the workers are few." Garuna's Luther Institute-Southeast Asia (LISA) is striving to address this shortage of indigenous workers in Southeast Asia through its Bible training ministry.

The Bible Student Scholarship project is conducted in support of the national Lutheran churches in Southeast Asia. In this region, there is a population of over 500 million, but less than 2% of the people trust in Jesus. Your help is greatly needed and appreciated.

Your gift enables individuals to participate in the four-year, non-residential LISA Bible training program in their home country. This equips them for service as pastors, deacons, deaconesses, teachers, and lay leaders.

Upon receipt of your donation, you will receive a brochure including a photo and brief bio of the student you sponsor so that you may keep him/her in your prayers. Thanks to your help, these men and women will be better prepared to share the wonderful garuna (grace) and love of our Savior in their schools, congregations, and new church plants.
