

Garuna Kids Sponsorship Guidelines:

Prayer – An important component to sponsorship is prayer for your sponsored child. Keep the enclosed picture and biography in a place to remind you to pray regularly.

Correspondence – If you would like to write to your child, enclosed is a page formatted for this purpose. Send your letter to The Garuna Foundation, 2924 East Cholla Street, Phoenix, Arizona 85028, and it will be forwarded to our staff in Cambodia for translation into Khmer (Cambodian language).

Following are a few dos and don'ts:

- **Dos** – Feel free to send a photograph of you or your family, and initially a short letter of introduction. Send words of encouragement. Keep the letters consistent with Christian values.
- **Don'ts** – Do not give your address, phone number, or email address to your sponsored child. Do not send words or materials inconsistent with Christian values, or that may be harmful to children. We will not forward any pictures or letters that might be considered inappropriate in the Cambodian culture, or inconsistent with Christian values.

Gifts – We are unable to forward physical gifts to your sponsored child, and discourage monetary gifts. We want to ensure this program is focused on education for the children. In addition, we want to ensure we are not introducing an opportunity for some children to feel disappointed or discouraged if one child receives a gift and another does not. Gifts for the child's community benefit in general, though, can be accepted.

Questions – Please direct questions regarding Garuna Kids to info@garuna.info.

Thank you very much for your kind sponsorship of a Garuna Kid!
