

How to set up 99 Pledges page for your child

1. Go to this link - www.99pledges.com/fund/branchrun25/addme
2. Enter your child's name (Participant), enter your email(s), and select their group (Teacher).
3. Click "Add" > this will take you to your newly created pledge page just for your child!

Cash and Check donations can be submitted with the pledge form sent home with your child. These will also count towards the incentive list. Unfortunately, Venmo is not an option for this fundraiser.
