

Branch Elementary School

970 School Road
Arroyo Grande, CA 93420

Dear Branch Supporter,

We are excited to announce that our Annual Branch Elementary School Auction will take place Saturday, November 14, 2026. In previous years, thanks to the immense generosity of our community and donors like you, we have raised over \$80,000. Every contribution, whether big or small, makes an incredible impact on our school.

As our district's smallest school with limited funding, we rely heavily on community support to provide our students with the best possible educational experience. Many critical items are funded by our PTO including funding our math and reading tutors, science programs, educational workshops, field trips, robotics and much more! **We need your support to make this year's auction another resounding success!**

Would you consider donating an item to our auction? We are particularly in need this year of large items and gift certificates. Small items that could fit in gift baskets are always appreciated as well.

If you would consider donating to our Branch Elementary Annual auction, please send us an email at branchauctionag@gmail.com or call me at (530) 570.7974 so that we can arrange pickup of the item. Someone will be in touch with you the same day the email/phone call is received. Please use this letter for tax donation purposes.

We are accepting donations until October 26th. We appreciate your consideration and generosity.

Sincerely,

Alejandra Martinez
