Company Data

Delta Medical Group was established in 2019 and is a Vets First, Certified SDVOSB.

Company leadership has 30+ years of private sector medical device manufacturing and consulting history. DMG was formed to leverage this experience for our Veterans.

All Veterans are provided access to a local, highly experienced technical professional to assist with the use of our products.

Approved Consult Details

Please provide this veteran with the Pain Shield System. This is being ordered to provide pain relief, prolong surgical intervention, improve healing outcome and to help minimize or eliminate NSAID and opioid use. This is a purchase, not a rental. Vendor to provide technical training and support.

Buy With Confidence. Buy From Vets.
